

STATEMENT OF FAITH:

- ✠ We believe the Bible to be the inspired, unfailing and authoritative Word of God.
- ✠ We believe there is one God, eternally existent in three Persons: God the Creator; God the Person of Jesus Christ the Son; and God the Person of the Holy Spirit.
- ✠ We believe in the deity and humanity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in the shedding of His blood and ultimately His death in compensation for our sin, in His bodily resurrection, in His ascension to the right hand of God, and in His personal return in power and glory.
- ✠ We believe the cleansing power of the Holy Spirit, removing sin from the life of the believer, is the very thing that enables believers to live a Christian life.
- ✠ We believe the most important thing in the world is faith springing directly from a personal relationship with Jesus Christ.
- ✠ We believe that a relationship with Christ comes only through God's grace, not by man's effort, and must be accepted and received personally by repentance and turning toward God.
- ✠ We believe that we should share Jesus Christ with our community and our world and that we should demonstrate for all the grace which has been gifted to each one of us by God's great love for us.
